of Extern Sites

Special thanks to these participating employers:

- Alliant Energy
- CCI
- Cullen
- IKI
- Prent
- Rock County Public Health
- Seneca
- SHINE
- STE
- Stoughton Trailers
- Visit Beloit

EXTERNSHIP 2023

Through the Rock Externship Program, high school staff have the ability to immerse themselves in business environments and shadow specific occupations and/or disciplines for one week during the summer. The information and experiences gleaned from this focused engagement will be incorporated into academic lesson planning and related curricula delivery models.

EXTERN FEEDBACK

WOULD YOU ENCOURAGE OTHERS TO PARTICIPATE?

“ I would enthusiastically encourage other colleagues to participate, as I gained such valuable insight into careers that I didn’t even know existed. Having district decision-makers participate in this program would not only help students be better prepared, but also position a district as a place where parents are eager to have their children attend, learn and grow. ”

–Rock Extern

“ I would encourage anyone to participate, particularly since many teachers don’t have the experiences of working in these non-educational environments. If you’re interested in gaining a sense of what skill sets students are required to obtain by the time they graduate, make sure to participate in the Rock Externship. ”

–Rock Extern

“ I highly recommend this program for any educator wanting to learn more about the community and what opportunities are available after high school. ”

–Rock Extern

..... **Thank you to our sponsors of the Rock Externship program!**
