- Beloit School District
- Janesville School District
- Beloit Turner School District
- The Lincoln Academy

EXTERNSHIP 2024

Through the Rock Externship Program, high school staff have the ability to immerse themselves in business environments and shadow specific occupations and/or disciplines for one week during the summer. The information and experiences gleaned from this focused engagement will be incorporated into academic lesson planning and related curricula delivery models.

EXTERN FEEDBACK

“ My week was incredible. I cannot wait to show my students what I learned and how it applies to the classroom and their future jobs. ”
—Rock Extern

“ I want to tell my students all about the careers I was able to explore and the people I met. This experience was no doubt valuable. ”
—Rock Extern

“ Huge thanks for making this program possible. My kids are going to love having actual hands-on learning based on what I saw. ”
—Rock Extern

“ I especially loved the recap session at Blackhawk Tech – having that opportunity to collaborate with educators from different school districts and hearing their externship perspectives helped me clarify some of my instructional goals. Plus, it provided me with new career unit connection ideas too. ”
—Rock Extern

..... Thank you to our sponsors of the Rock Externship program!
