“The team at my worksite trusted me to get things done and that was a big honor! Having their support and trust was amazing.”

—2024 Rock Intern

“It was interesting learning about a different field of work, and this program allowed me to try and grow into it.”

—2024 Rock Intern

# EMPLOYER FEEDBACK

“Our intern has been fantastic; we are working to extend her a full-time internship position next summer.”

—JP Cullen

“Our intern enjoyed what she was doing, and it was refreshing to see someone at that age want to go above and beyond.”

—Rock County Public Health

## ALUMNI COMMENTS

“I was excited to build connections during my internship and was even more excited to come back to my former worksite as an undergraduate intern. This program really opened my eyes to what I could do as a career!”

“I would tell any high schooler interested in one of the careers offered in this program to participate. It helped me clarify what I wanted to do and showed me what healthcare was really like. I ended up staying in touch with people at my worksite and they're my biggest mentors now!”

**Thank you to our sponsors of the Rock Internship program!**

The Rock Internship Program is a structured, paid internship model that provides rising H.S. Seniors with meaningful career pathway experiences and skills development tools. This collaborative talent development offering is supported by participating employers, Blackhawk Technical College, the County of Rock, Rock County 5.0 and the SW Wisconsin Workforce Development Board.
