EMPLOYER FEEDBACK

“ The Rock Internship Program continues to impress us year after year. These students come in eager to learn, ask thoughtful questions, and bring a fresh perspective to our workplace. It’s clear they’re not just here to observe—they want to contribute and grow. It’s been a privilege to support the next generation of talent and be part of such a meaningful experience. ”

“ This summer has shown us just how determined and passionate Rock Interns can be. Even when unexpected challenges come up, students show incredible resilience and commitment to learning. It’s been inspiring to see interns dive into their interests and make the most of every opportunity. ”

Thank you to our sponsors of the Rock Internship program!

STUDENT COMMENTS

“ The Rock Internship gave me real-world experience, new skills, and confidence. I’d recommend it to any high school student. ”

“ The people at my worksite treated me like part of the team from day one. I felt supported, challenged, and encouraged. ”

“ This internship helped me figure out what I want to do in the future—and what I don’t. It was eye-opening in the best way. ”

“ I didn’t think I was ready for a real job, but this experience showed me that I’m more capable than I thought. ”

The Rock Internship Program is a structured, paid internship model that provides rising H.S. Seniors with meaningful career pathway experiences and skills development tools. This collaborative talent development offering is supported by participating employers, Blackhawk Technical College, the County of Rock, Rock County 5.0 and the SW Wisconsin Workforce Development Board.
