## What the 2022 Rock Interns are saying...

Getting to explore a career path I was interested in while still being in high school helped me confirm that I wanted to continue on that career path and go to college for it.

-2022 Rock Intern

It was an experience that I will never forget and friendships I hope to keep in the future.

# EMPLOYER FEEDBACK

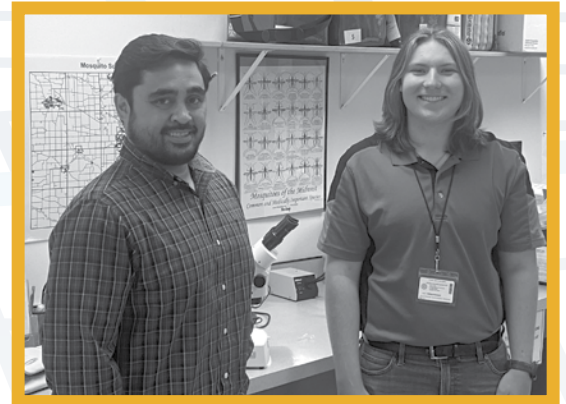

// We see great value in the program and want to see the program succeed and grow. We look forward to working with a future student. //

*-Forward Janesville, Inc.*

// Appreciate the opportunity this program brings to both the interns and the employer. It seems evident that time is spent placing the right interns in the right employers. //

*-Rock County Public Health Department*

// I liked that the program was geared toward high school students which gives them a head start in figuring out what career options are available within our community. //

*-Mercyhealth*

// Great job to all the partners involved! It is an excellent program and a wonderful opportunity for high school students! //

*-Blackhawk Technical College*

The Rock Internship Program is a structured, paid internship model that provides rising H.S. Seniors with meaningful career pathway experiences and skills development tools. This collaborative talent development offering is supported by participating employers, Blackhawk Technical College, the County of Rock, Rock County 5.0 and the SW Wisconsin Workforce Development Board.
